## **Parents Sign Up**

### **User friendly website**

You simply go to the website [kidsskatefree.com](http://kidsskatefree.com) and select the state where this center is located on the map.

Parents must register to enroll in the program. They must also register their children. During the registration you will be asked to set up a username and password for you to access your passes.

Every Sunday evening anytime after 10:00pm your passes will be available to print from your account. To do so log in to your account on [kidsskatefree.com](http://kidsskatefree.com). You will need your username and password to be able to print your passes. These passes can only be printed when you are logged in to your account.

**A program  
designed to  
help wipe out  
child obesity**
